I thought she was a nasty girl and I was right
She's tyin' cherries up in knots with her tongue
I said, "I wish I may, I wish I might
Break me off a little some"

Oh, body left the lights on at motel 6
Baby come complete with a whole bag o' tricks
Brought the cuffs but she left the keys
Showed me shit I ain't never even seen

I did it one time and I liked it so I did it
Two times got addicted, I had to do it
Three times couldn't help it
And the number four time was the best

She showed me how it was s'posed to go
Now give me little bit more
Just a little bit more

She got more freak than lucky got charms
Got me swingin' deep like a Barry Bonds
'Cause all night long it's a marathon
A supernatural phenomomenon

The left side over to the right side
My baby said, "Just let me ride, yeah
Let me come inside, just like that"

And I did it one time and I liked it so I did it
Two times got addicted, I had to do it
Three times couldn't help it
And the number four time was the best

She showed me how it was s'posed to go
No, no, give me a little bit more
Give me a little bit more
Give me a little bit more

I did it one time and I liked it so I did it
Two times got addicted, and I had to do it
Three times couldn't help it
And the number four time was the best

I'm gonna be talkin' trash while I smack that ass
Line the suckers up and send them back to class
I'm the sick mic mauler, the brawler, the yes
yaÃ¢Ä€Â™ ller
That pussy always comes when I call her, uh

Now give me a little bit more
Give me more, more
Give me more
More, more, more, more

I did it one time and I liked it so I did it
Two times got addicted, I had to do it
Three times couldnÃ¢Ä€Â™ t help it
And the number four time was the best

I did it one time and I liked it so I did it
Two times got addicted, I had to do it
Three times couldnÃ¢Ä€Â™ t help it
And the number four time was the best

And I did it one time and I liked it so I did it
Two times got addicted, I had to do it
Three times couldnÃ¢Ä€Â™ t help it
And the number four time was the best

I did it one time and I liked it so I did it
Two times got addicted, I had to do it
Three times couldnÃ¢Ä€Â™ t help it
And the number four time was the best
