Well he used to be a tailor  
Sew those suits so fine  
And he never heard of failure  
And he never tasted wine

And he used to be a leader  
When he had someone to lead  
And he used to be a father  
When he had some mouths to feed  
When he had some mouths to feed

And they say it never rains in LA county  
It gets cold enough to wish you had a few  
And he laughs tonight and says  
"I finally found me a room with a view

How about you"

He was living in a castle  
That he built with his own hands  
Out of newspaper and cardboard  
He was living off the land  
He was living off the land  
He was living off the land

Room with a view

And they say it never rains in LA county  
It gets cold enough to wish you had a few  
And he laughs tonight and says  
"I finally found me a room with a view  
How about you"
