Well the kid and me  
were the team to beat  
We could stand up to the big boys  
generate some heat  
And we never thought nothin' about  
livin on the street back then

Yes sir, we lied a little  
and we maybe stole some, sayin'  
"Southern California here we come"  
and we took off down the highway sayin'  
"Never goin' back again"

(chorus)  
It was on the first day of summer  
(first day of summer)  
we were the number one outfront runner  
(first day of summer)  
On the first day of summer  
nothin' feels the same  
and it feels so good  
It was on the first day of summer

(first day of summer)  
It was on the first day of summer  
(first day of summer)  
On the first day of summer  
the whole world knows your name  
and it feels so good

Now the kid was drivin'  
and I rode shotgun  
We were splittin' up the money  
from our number ones  
beatin' time to the radio  
Yes I'm gonna be someone

Campin' by the road  
out in Santa Fe  
The kid stole the keys  
and he drove away  
I wound up washin' dishes

at a Holiday Inn  
Sometimes I wonder  
what became of him

(chorus to fade)
