Lah Lah Lah Lah lah lah lah  
Lah Lah Lah Lah lah lah lah  
Lah Lah Lah Lah lah lah lah  
You always like the way my baby smiles,  
Baby smiles  
And now you've figured I'll be gone a while,  
Gone a while  
So you try to steal her kisses  
But you'll find she really misses me  
And you will see,  
Baby you will see  
That a million drums couldn't make her dance  
No a million drums couldn't make her dance  
And a thousand violins couldn't make here hold your  
hand  
And a million drums couldn't make me dance  
Well you could get a hundred moons to shine,  
Moons to shine  
And serenade that little girl of mine,  
Girl of mine  
But no matter what you play her still I know you'll never  
sway her heart  
She's much to smart,  
Much to smart  
And a million drums couldn't make her dance  
No a million drums couldn't make her dance  
And a thousand violins couldn't make here hold your  
hand  
And a million drums couldn't make her dance  
And a thousand violins couldn't make here hold your  
hand  
And a million drums couldn't make her dance  
Oh Lah Lah Lah Lah lah lah lah  
Lah Lah Lah Lah lah lah lah  
Lah Lah Lah Lah lah lah lah  
Oh Lah Lah Lah Lah lah lah lah  
Lah Lah Lah Lah lah lah lah  
Lah Lah Lah Lah lah lah lah  
Oh Oh Lah Lah Lah Lah lah lah lah  
Lah Lah Lah Lah lah lah lah  
Lah Lah Lah Lah lah lah lah
