I wanna see the pages turn
Want to let the bridges burn
I don't want more than what I earn
I'm only in from out of town
I'm only up from underground

I always try to play it cool
End up feeling like a fool

Maybe you're right
(Maybe you're right)
Maybe I'm wrong, oh, just maybe

But, baby tonight
(Baby tonight)
Maybe so long

Starting over once again
I only quit before the end
Need to break before I bend
I'm always looking inside out
I never question what I doubt

I always judge before the trial
I'm in a rush to wait a while

Maybe you're right
(Maybe you're right)
Maybe I'm wrong, oh, just maybe

But, baby tonight
(Baby tonight)
Maybe so long

I would never say forever
I can't wait that long
But whenever we're together
Everything goes wrong, a little wrong

I always judge before the trial
In a rush to wait a while

Maybe you're right
(Maybe you're right)
Maybe I'm wrong, I, just maybe

Baby tonight
(Baby tonight)
Maybe so long, oh baby

Baby tonight
(Baby tonight)
Maybe so long
