(russell)

I've been so many places in my life and time
I've sung a lot of songs, I've made some bad rhymes.
I lighted up my life on stages
With ten thousand people watching
But we're alone now
And I'm singing this song for you.
I know your image of me is what I hope to be
I treated you unkindly
But darling, can't you see
No one's more important to me
But darling, can't you please see through me
'cause we're alone now
And I'm singing this song for you.

Chorus:

You taught me precious secrets
Of the truth withholding nothing
You came out in front and I was hiding
Now's I'm so much better
And if my words don't come together
Listen to the melody
'cause my love is in there hiding.
I love you in a place where there's no space or time
I love you for in my life
You're a friend of mine
When my life is over
We were alone
And I was singing this song for you.

Chorus

I love you in a place where there's no space or time
I love you -- in my life, you're a friend of mine
When my life is over
We were alone and I was singing this song for you
We were alone and I was singing this song for you.
