How can I just let you walk away
Just let you leave without a trace?
When I stand here taking every breath with you, ooh
You're the only one who really knew me at all

How can you just walk away from me
When all I can do is watch you leave?
'Cause we've shared the laughter and the pain and
even shared the tears
You're the only one who really knew me at all

So take a look at me now, oh, there's just an empty
space
And there's nothing left here to remind me, just the
memory of your face
Ooh, take a look at me now, 'cause there's just an
empty space
And you coming back to me is against the odds
And that's what I've got to face

Well, I wish I could just make you turn around
Turn around and see me cry
There's so much I need to say to you, so many reasons
why
You're the only one who really knew me at all

So take a look at me now, there's just an empty space
And there's nothing left here to remind me, just the
memory of your face
Take a look at me now, 'cause there's just an empty
space
But to wait for you, is all I can do and that's what I've
got to face

Take a good look at me now, I'll still be standing here
And you coming back to me is against all odds
It's the chance I've gotta take
Take a look at me now
