Well I heard about the fella you've been dancing with
All over the neighbourhood
So why didn't you ask me baby
Or didn't you think I could?

Well I know that the boogaloo is out of sight
And the shingaling's the thing tonight
Well if that was you and me a now baby
I could have shown you how to do it right
Do it right (U-huh)
Do it right (Do it right)
Do it right
Do it right
Do it right

Twistin', shake it shake it shake it shake it baby
Hey we gonna loop de loop
Shake it out baby
Hey we gonna loop de la
Bend over let me see ya shake your tailfeather
Bend over let me see ya shake your tailfeather
Bend over let me see ya shake your tailfeather
Come on let me see ya shake your tailfeather
Aah

Twistin', shake it shake it shake it shake it baby
Hey we gonna loop de loop
Shake it out baby
Hey we gonna loop de la
Bend over let me see ya shake your tailfeather
Bend over let me see ya shake your tailfeather
Bend over let me see ya shake your tailfeather
Come on let me see ya shake your tailfeather
Aah

Do the twist
Do the quack
Do the swim
Do the bird
Do the mashed potato
What about the boogaloo
And the bony marony

Do the twist

hey, all right, yeah you T
hink, think, think, think,
I think, you think, just think about it

You better think think about what you're trying to do to
me
Yeah, think let your mind go, let yourself be free
Let's go back, let's go back, let's go way on back when

I didn't even know you, you couldn't have been too
much more than ten
I ain't no psychiatrist, I ain't no doctor with a degree
It don't take too much high IQ's to see what you're
doing to me
Oh think, think about what you're trying to do to me
Yeah, think, let your mind go, let yourself be free
Oh freedom, freedom, freedom, yeah freedom
Freedom, freedom, give me freedom, I need freedom

Hey, think about it
You, think about it

There ain't nothing you could ask I could answer you
but I won't
I was gonna change, but I'm not, to keep doing things I
don't
Hey think, think about what you're trying to do to me
Baby, think, let your mind go, let yourself be free

People walking around everyday, playing games that
they can score
Trying to make other people lose their minds, be
careful you don't lose yours
Yeah think, think about what you're trying to do to me
Yeah, yeah, yeah, yeah, let your mind go, let yourself
be free
Oh freedom, freedom, freedom, yeah freedom
Freedom, freedom, give me freedom, I need freedom

I want you!
Everybody needs somebody
Everybody needs somebody to love
Someone to love
Sweetheart to miss
Sugar to kiss
I need you you you
I need you you you
I need you you you
In the morning

When my soul's on fire

Sometimes I feel
I feel a little sad inside
When my baby mistreats me
I never never never find a place to hide
I need you

Sometimes I feel
I feel a little sad inside
When my baby mistreats me
I never never never find a place to hide

I need you you you
I need you you you
I want you you you

I want you you you in the morning
When the sun comes down
Everybody

I need you you you
I need you you you
I need you you you
I need you.
