"Half A Moment"

Time, they say, is relative,
Infinite as space.
This must be eternity,
Neither time nor place.

Half a moment
We are together
I shall want no-one else
And nothing new.
Half a moment
I shall treasure,
Keep it locked away
For some future rainy day.

Should you leave me
With just this moment?
In my mind
I shall capture it a new,
Like some picture
Taken in my childhood
Half a moment
Spent with you.

Time looks kindly
On fleeting lovers
They can turn
The briefest hour into a day
Turn a moment
To a lifetime
Making it to last
Blending future with the past.

Ev'ry moment
We spend together,
I don't care
What they say or try to do.
Can't erase it
All that's gone between us,
Half a moment
Shared with you.

Countless vivid memories

Spin before my view,
Like some toy kaleidoscope
Images of you.

Half a moment
We are together
I shall want no-one else
And nothing new.
Half a moment
I shall treasure,
Keep it locked away
For some future rainy day.

We're together,
What else can matter?
Even though
Half a moment is too few
I shall save it
'Til I have another
Making one whole moment
Filled with you.
