So no one told your life was gonna be this way  
Your job's a joke, you're broke, your love life's DOA  
Seems like we're always stuck in second gear  
When it hasn't been your day, your week  
Your month, or even your year

I'll be there for you  
When the rain starts to fall  
I'll be there for you  
'Cause I've been there before  
I'll be there for you  
'Cause you're there for me too

You're still in bed at ten, your work began at eight  
You've burned your breakfast so far, things ain't going  
great  
Your mother told you there'd be days like these  
But she didn't tell you when the world had brought  
You down to your knees

But I'll be there for you  
When the rain starts to fall  
I'll be there for you  
'Cause I've been there before  
I'll be there for you  
'Cause you're there for me too

No one could ever know me  
No one could ever see me  
Seems you're the only one who knows  
What it's like to be me

Someone to spend the day with  
Make it through all the rest with  
Someone I'll always laugh with  
Even at my worst, I'm best with you, oh

Seems like we're always stuck in second gear  
When it hasn't been your day, your week  
Your month, or even your year

I'll be there for you

When the rain starts to fall  
I'll be there for you  
'Cause I've been there before  
I'll be there for you  
'Cause you're there for me too

I'll be there for you  
When the rain starts to fall  
I'll be there for you  
'Cause I've been there before  
I'll be there for you  
'Cause you're there for me too
