I can see

You're slipping away from me

And yet so afraid

I'll plead with you to stay

But I'm gonna be strong

And let you go your way

Our love is gone

There's no sense in holding on

Cause your pity now

Would be too much to bear

So I'm gonna be strong

And pretend that I don't care

Chorus:

I'm gonna be strong

And stand as tall as I can

Yes, I'm gonna be strong

And as you walk along

I'll take it like a man

I can see

You're slipping away from me

And yet so afraid

I'll plead with you to stay

But I'm gonna be strong

And let you go your way

Chorus

When you says it's the end

I'll just have you a line

I'll smile and say,

Don't you worry, I'm fine

And you'll never know, darling

After you kiss me goodbye

How I'll breakdown and cry
