Com'on! .. two, three

They say the neon lights are bright on broadway

They say there's always magic in the air

When you're walking down that street

You ain't had enough to eat

The glitter rubs right off and you're nowhere

They say the girls are something else on broadway

But looking at them just gives me the blues

'cause how you gonna make sometime

When all you got is one thin dime

And one thin dime won't even shine your shoes

They say that I won't last too long on broadway

I'll catch the greyhound bus for home

They all say

They're all wrong

I know they are

'cause I can play this here guitar

And I won't quite till I'm a star on broadway

On broadway, on broadway, on broadway

On braodway
