One singular sensation, every little step I takes
One thrilling combination, every move that I makes
One smile and suddenly nobody else will do
You know you'll never be lonely with you-know-who

One moment in her presence and you can forget the
rest
For the girl is second best to none, son
Oooh! Sigh! Give her your attention
Do I really have to mention
I'm the one?

For the girl is second best to none, son
Oooh! Sigh! Give her your attention
Do I really have to mention
I, I, I, I...
I'm the...
I, I, I, I, I, I, I'm the...
I'm the one!
