Five hundred twenty-five thousand six hundred
minutes

Five hundred twenty-five thousand moments so dear

Five hundred twenty-five thousand six hundred
minutes

How do you measure, measure a year?

In daylights, in sunsets, in midnights, in cups of coffee

In inches, in miles, in laughter, in strife

In five hundred twenty-five thousand six hundred
minutes

How do you measure a year in the life?

How about love? What about love?

Talk about love, measure in love

Seasons of love, seasons of love

Five hundred twenty-five thousand six hundred
minutes

Five hundred twenty-five thousand journeys to plan

Five hundred twenty-five thousand six hundred
minutes

How, how do you measure the life of a woman or a
man?

In truths that she learned or times that he cried

In bridges he burned or the way that she died

It's time now to sing out though' the story never ends

Let's celebrate and remember a year in the life of
friends

Remember the love, remember the love

Remember the love, remember the love

Seasons of love, seasons of love, seasons of

Five hundred twenty-five thousand six hundred
minutes

Five hundred twenty-five thousand moments so dear

Five hundred twenty-five thousand six hundred
minutes

How do you measure, measure a year?

In daylights, in sunsets, in midnights, in cups of coffee
In inches, in miles, in laughter, in strife
In five hundred twenty-five thousand six hundred
minutes
How do you measure a year in the life?
