Michael:

I want to be the first man you remember,  
I want to be the last man you forget.  
I want to be the one you always turn to,  
I want to be the one you wont regret.  
May I be first to say to you look delightful?  
May I be first to dance you round the floor?  
The very first to see your face by moonlight?  
The very first to walk you to your door?

Diana:

Well, young man, Id be delighted!  
There is nothing I owuld rather do!  
What could be a sweeter memory  
Than sharing my first dance with you?

Michael:

I want to be the first man you remember...

Diana:

The very first to sweep me off my feet.

Michael:

I want to be the one you always turn to...

Diana:

The first to make my young heart miss a beat.

Michael:

Seems the stars are far below us...  
The moon has never felt so close before...  
Our first dance will be forever  
And may it lead to many more!  
I want to be the first man you remember

Diana:

The very first to sweep me off my feet.

Michael:

I want to be the one you always turn to...  
The first to make your young heart miss a beat.

Diana:  
The very first...

Both:  
The very first...
