I can see in your eyes  
That you've been wanting me  
And now that we're together  
You have shown me what I need  
The way you make me feel  
When you're lying next to me  
It captivates my soul  
And I can't let you go

Forever till the day I die  
You will always be the one by my side

Can't let you go  
I need you more and more  
Girl can't you see  
That you're the one for me  
I need your love  
I've got to have your touch  
As long as we're together  
We will last forever  
Forever

Don't you feel what I feel  
When I wrap you in my arms  
Embracing you so tight  
I want you here all night  
I'm giving you my love  
You're the only one I need  
So baby can't you see  
You belong here with me

Forever till the day I die  
You will always be the one by my side

Can't let you go  
I need you more and more  
Girl can't you see  
That you're the one for me  
I need your love  
I've got to have your touch  
As long as we're together  
We will last forever

Forever

Forever till the day...
