Well they say this land is the home of the brave
But then too much cash kinda sends you insane
The smell of success could be the ruin of you
Beverly kicks and she can kick like a mule
There's a whole lot of party in the sea of white stuff
A whole fleet of limo's for this skirt in Bar Chuff
Mere seduction that's not what she needs
Just a flash of the cash and she'll lick a boy clean

One of these days gonna take your hand
Come and lead my baby to the promised land

Lobsters and limousines
Blue suede shoes and a movie queen
Lobsters I've been told
Hollywood streets are paved with gold

Fat legs on a sunset night
Talk about horror she's a cellulite fright
Constant craving keeps scratching the kill
Wilder than wild you know it makes me feel
Like a lobster in drag in a pot of gold
That broke up our nation that's coming to unfold
Well some like it hot and some like it cold
Some like to tease and some like to scold

One of these days gonna take your hand
Come and lead my baby to the promised land

Lobsters and limousines
Blue suede shoes and a movie queen
Lobsters I've been told
Hollywood streets are paved with gold

Lobsters and limousines
Blue suede shoes and a movie queen
Lobsters I've been told
Hollywood streets are paved with gold

One of these days I'm gonna take your hand
Gonna lead my baby to the promised land
Don't want no pain when I grow old

Just give me that twenty four carat gold

Lobsters and limousines

Blue suede shoes and a movie queen

Lobsters I've been told

Hollywood streets are paved with gold
