He looks to the sky
He speaks as he finds
He's condemned for life
For using his eyes
Faith can be so blind

In three hundred years
X million were killed
Women all
With merciless skill
Faith can be so cruel

Will you love me?
Will you bless me?
If I speak my mind
And live in my time?

Do you believe the truth you claim... ?
Do you believe at all?

The trigger she pulls
In aid of the cause
Told to Heaven she would rise
Her flesh and blood fill the sky
But her Master, he survives

Those who claim truth
Without any proof
Power be their aim
Power be their game
They seem to know no shame

Will you love me?
Will you bless me?
If I speak my mind
And live in my time?

Do you believe the truth you claim... ?
Do you believe at all?

Do you believe the truth you claim... ?

Do you believe at all?

Instrumental

So many have died
With agonised cries
Their prayers fill the sky
It makes me realise
How luck can keep us alive

Will you love me?
Will you bless me?
If I speak my mind
And live in my time?

Do you believe the truth you claim... ?
Do you believe at all?

Do you believe the truth you claim... ?
Do you believe at all?
