V1

Daggers drawn  
Feelings torn  
Brutal words that intend such harm  
Hit their mark  
Love at war again

Bridge 1

Why do we always fight and blame?  
How can love turn in to such pain?

V2

We forgive  
We forget  
Til next time when we both let rip  
We're such fools  
Love at war... and

Chorus 1

We feel love then were grieving  
And we feel so alone  
Then we make peace in the way true lovers do  
Instrumental

Bridge 2

Why do we always burn and flame?  
Why does love turn in to such hate?

V3

One wrong step  
One wrong breath  
Triggers one more fight to the death  
Back we turn  
Arm in arm... and...

## Chorus 2

We feel lost in the leaving  
And we walk mind in mind  
And we make peace in the way true lovers do

## V4

Stubborn mules  
Were such fools  
Well destroy our love one day soon  
There's no point  
Love at war and

## Chorus 3

We feel love then were grieving  
We talk mind in mind  
Then we make peace in the way true lovers do  
Lovers do  
We make peace in the way true lovers do

## V5

Stand by me  
Stand by you  
No more fighting we might make it thru  
One thing's sure  
Love at war's for fools
