Every day when the work is behind you
And the shop and the store
put the lock on the door
Just get away
where your worries won't find you
If you like, well I'll tell you more

Don't let the day get the better of you
When the evening comes
there's so much to do
You better put on your best
and wear a smile
Just come along with me awhile -
'Cause I tell you -

CHORUS:

I know a place
where the music is fine
And the lights are always low
I know a place where we can go

At the door
there's a man who will greet you
Then you go downstairs
to some tables and chairs
Soon I'm sure
you'll be tappin' your feet
Because the beat is the greatest there All around there
are girls and boys
It's a swingin' place -
A cellar full of noise
It's got an atmosphere
of its own somehow
You gotta come along right now -
'Cause I tell you -

CHORUS

instrumental bridge

Well, all around there are girls and boys
It's a swingin' place -

A cellar full of noise
It's got an atmosphere
of its own somehow
You gotta come along right now
'Cause I tell you -

CHORUS

I know a place where we can go
I know a place where the lights are low
You're gonna love this place I know
I know a place where we can go
