Yeh.....

Alright....

When friends and family come around and ask me
All I say is
I'm good I'm good
I'm ok alright

Deep in side I know I can't take any more
It's killing me slowly
Physically mentally
There's nothing left in me.

But I don't want people to feel sorry for me
And that's why I say
I'm good I'm good

Said I'm good I'm good
I'm ok alright
I'm good I'm good
I'll be alright
I'm good baby
I'll be alright

Some times I can't even talk
I can't walk
City isn't long
Somebody help me
Oh say somebody help me

I don't want people to feel sorry for me
That's why I say
I'm good I'm good
I'm ok alright

Said I'm good I'm good
I'm ok alright
I said I'm good I'm good

I'll be alright babe
I'm good I'm good
Said I'll be alright baby

I'm good oh baby said I'm good
Baby that's all I say

My friends and family that's all I tells them but
Deep inside I'm dying baby
Oh...no...no...no

I'm good I'm good
I'm ok alright
Said I'm good I'm good
I'm ok alright
