Yesterday I heard you say
You'd give your soul to have your way
Thrice you wished it, twice you pleaded
Once you vowed and knelt to pray
Seven times I heard you promise
Seven time you called in vain
Your wish is granted, the devil signed it
And now I'm riding to make you pay

I know that your soul has had enough of crying
And I'm here to free you and take your pain away

Scream, if you hear my machine
It's a terrifying dream
There's no time to hide
I'm right beside you
Scream, if you hear my machine
Then your soul will ride with me
Back into forever, everlasting night

Faint and broken spirit crying
Life and soul on borrowed time
Spent your life in search of pleasure
Those you hurt are friends of mine

I know that your soul has had enough of crying
And I'm here to free you and take your pain away

Scream, if you hear my machine
It's a terrifying dream
There's no time to hide
I'm right beside you
Scream, if you hear my machine
Then your soul will ride with me
Forever

Scream, if you hear my machine
It's a terrifying dream
There's no time to hide
I'm right beside you
Scream, if you hear my machine
Then your soul will ride with me

Back into the everlasting night
Where the only light is from Satan's eyes

Oh, gonna ride forever
Tonight you're mine!
