(Chorus)

You are my God and  
The rock on which I stand  
I have found my place in  
Your arms of grace  
Oh, oh, You are my God.

Lord of Heaven,  
King of all the Universe,  
Architect and Poet of Eternity,  
Abba Father, Breath of Life.  
Creation's dawn,  
Ever-living,  
One who knows and loves me.

(Chorus)

First Forgiver,  
Ever Present God with us,  
Lamb of Love,  
Who died triumphant over sin  
Risen Savior,  
Brilliant bright and Morning star,  
Shining in me  
Light of Glory lives within.

(Chorus)

Oh I have found my place  
In Your arms of grace  
Oh You are my God (bis)
