Yeahâ€¦  
Wish I told her how I feel  
Maybe she'd be here right now  
But insteadâ€¦

I pretended I'm glad you went away  
These four walls close in more every day  
And I'm dying inside  
And nobody knows it but me, mmm mmm

Like a clown I put on a show  
The pain is real even if nobody knows  
And I'm crying inside  
And nobody knows it but me, yeah mmm mmm

Why didn't I say  
The things I needed to say?  
How could I let my angel get away?  
Now my world is just a-tumbling down  
I can say it so clearly  
But you're nowhere around

The nights are lonely  
The days are so sad  
And I just keep thinking about the love that we had  
And I'm missing you  
And nobody knows it but me, yeah

I carry a smile when I'm broken in two  
And I'm nobody without someone like you  
I'm trembling inside  
And nobody knows it but me, yeah

I lie awake  
It's a quarter past three  
I'm screaming at night  
If I thought you'd hear me  
Yeah, my heart is calling you  
And nobody knows it but me, well well

How blue can I get?  
You could ask my heart

But like a jigsaw puzzle it's been torn all apart  
A million words couldn't say  
Just how I feel  
A million years from now, you know  
I'll be loving you still

The nights are lonely (nights are lonely)  
The days are so sad (oh, so sad)  
And I just keep thinking about the love that we had  
And I'm missing you  
And nobody knows it but me, yeah yeah

No one, no one  
But meâ€¦!

Tomorrow morning, I'm hitting the dusty road  
Gonna find you wherever, ever you might go  
And I'm gonna unload my heart  
And hope you come back to me

Yeah, sad when the nights are lonely

The nights are lonely  
The days are so sad  
And I just keep thinking about the love that we had  
And I'm missing you  
And nobody knows it but me, yeah

The nights are lonely (ohhhh yeah)  
The days are so sad  
And I just keep thinking about the love that we had (the  
love)  
And I'm missing you (im missing you)  
And nobody knows it but me, yeah (but me ... )

The nights are lonely (since you've been gone)  
The days are so sad  
And I just keep thinking about the love that we had (and  
I'll be missing you, baby)  
And I'm missing you (I always thought that you'd be  
right by my side â€¦ yeah[fades])  
And nobody knows it but me, yeah

Nobody knows it .. knows it but me

The nights are lonely  
The days are so sad  
And I just keep thinking about the love that we had  
And I'm missing you  
And nobody knows it but me, yeah
