Forgive oh Lord and heal our land
And give us eyes to seek Your face and hearts to
understand
That You alone make all things new
And the blessings of the land we love are really gifts
from You

If My people will humbly pray and seek My face and
turn away
From all their wicked ways
Then I will hear them and move My hand
And freely then will I forgive and I will heal their land

Unite our hearts in one accord
And make us hungry for Your peace and burdened for
the poor
And grant us hope that we might see
The future for the land we love our life our liberty

If My people will humbly pray and seek My face and
turn away
From all their wicked ways
Then I will hear them and move My hand
And freely then will I forgive and I will heal their land

If My people will humbly pray and seek My face and
turn away
From all their wicked ways
Then I will hear them and move My hand
And freely then will I forgive and I will heal their land

And I will heal their land
Heal their land
Heal their land
Heal their land
Heal their land
Heal their land
