Jesus loves me, I know it's true
Because He died for me and He died for you
When I think of all the pain that He went through
I want the world to know and I want to shout the news

Jesus loves me, this I know
It's not just the Bible that tells me so
I can feel it, feel it in my soul
Jesus loves me, this I know

Jesus loves me, how can it be
That the only Son of God should care for me
To take away my sin and set me free
To take my life and make it all, it's meant to be

Jesus loves me, this I know
It's not just the Bible that tells me so
I can feel it, feel it in my soul
Jesus loves me, this I know

Jesus loves me, He loves you too
You can't understand it all just believe it's true
He'll take away your old heart, give you one that's new
You'll feel the walls come down as His love comes
breaking through

Jesus loves me, this I know
It's not just the Bible that tells me so
I can feel it, feel it in my soul
Jesus loves me, Jesus loves me
Jesus loves me, this I know
