Trust in Me,  
Keep your life free,  
From what the love of money will do  
Am I not enough for you?

(Chorus)  
Never will I leave you,  
That's something I'll never do.  
Forever remember that it's true,  
Never will I leave you.

When you fear,  
The scars and tears.  
Remember what I have sworn,  
I'll be with you through the storm.

(Chorus)

And when you fear,  
That's when I'm near.  
Your soul's security,  
When will you believe?

(Chorus)  
Never will I leave you...
