Chorus

Don't you know the battle's raging  
And you got to join the fight  
There's an army of the darkness  
And an army of the Light  
There's a side that fights for Satan  
And a side that's for the Lord  
And on this battle field there are no rusty swords  
And on this battle field there are no rusty swords  
Christ has made the final move  
So our side is sure to win  
He became like us so we would have  
A chance to be like Him

It seems strange so many fall back  
When the victory has been won  
You just need to ask yourself  
Which side you're on

Chorus

There's a fact you need to understand  
Before you join our side  
You need to know when Jesus calls  
He bids you come and die  
He's invaded Satan's kingdom  
And He's claiming all His own  
When the battle's over  
He will lead us home

Chorus

And on this battle field there are no rusty swords
