I'm sorry that it took so long to write this song but I
gave up
You see one million words can't describe how it feels to
know your love

Where did I go wrong?
I should have told you from the start
That I'm closer then you think when we're apart
Nothing that I've tried is as simple as this line

But without you
My life is incomplete
My days are absolutely gray
And so I'll try
Let your heart know for sure
That I have so much more to tell you
Every single day

I swear I'm giving up my inside to the one that I adored
I know this world is big enough for you and I but I'll give
you more

I'm coming home today
To wipe the tears right from your eyes
I'm totally enamored by your life
Nothing that I've done has ever been for one

But without you
My life is incomplete
My days are absolutely gray
And so I'll try
Let your heart know for sure
That I have so much more to tell you
Every single day

My life is incomplete
My rites are absolutely gone
So wake me up
Before you leave today
Something I need to say
Cause they'll be nothing when you're gone
