Hey world(Hey world)  
Hey world(Hey world)  
Looking out, each moment is critical  
and every life politically placed  
So what's this cloud we've all been under lately?  
I'm sure it's something we can live without  
Hey world(Hey world)  
I've got something you can't top  
Hey world(Hey world)  
It's a love too great to stop  
Hey world(Hey world)  
Isn't it time that you wake up?  
You've been spinning in the dark for too long  
How can you move  
with so much upon your shoulders?  
How do you see  
when blindness is your view?  
Sometimes I long  
to wrap myself around you  
With all the "let me downs"  
don't you give up  
Hey world(Hey world)  
Keep on giving peace a chance  
Hey world(Hey world)  
Don't you give up on romance  
Hey world(Hey world)  
What's that rainbow 'round your heart?  
Whose that dancing in the dark all alone?  
NA NA NA NA NA NA NA NA NA NA

Hey world(Hey world)  
Hey world(Hey world)  
NA NA NA NA NA NA NA NA NA NA  
Hey world(Hey world)  
Hey world(Hey world)  
Listen up  
if we all could stop the hurting  
It soon would come  
the healing you desire  
Let seeds of trust  
outgrow the ridicule  
Only good can come to you and I

Hey world(Hey world)  
I've got something you can't top  
Hey world(Hey world)  
it's a love too great to stop  
Hey world(Hey world)  
Isn't it time that you wake up?  
You've been spinning in the dark for too long  
Hey world(Hey world)  
Just forget your wars and crime  
Hey world(Hey world)  
Go and get a life, it's time  
Hey world(Hey world)  
What's that rainbow 'round your heart?  
Whose that dancing in the dark all alone?  
NA NA NA NA NA NA NA NA NA NA NA  
Hey world  
Hey world  
NA NA NA NA NA NA NA NA NA NA NA  
Hey world(Hey world)  
Hey world(Hey world)
