Aww nigga, do you know what this is?
One shot, one kill, what's the deal? G-Unit!
(Here we go now!)

Aww nigga, do you know who you with?
It's Tony Yayo up in this bitch
Got them German Lugers with them hollow tips
Sixteen shot Rugers with them extra clips

50 Cent back on that gangsta shit
On my way OT to flip them bricks
In that big body Benz you know it's a 6
Got your bitch on my dick I stack them chips

And I'm flashy as a fuck my jewels is sick
From a block away you can see the kid
Don't front mothafucka you know my style
I don't go nowhere without my 40 cal

On the low shorty gotta thing for the kid
And you know I'm fittin' to take her back to the crib
Here we go I'm a show her how a playa live
At the door I tell her to take her clothes off, shit

Shorty so seductive dancin' on me
It's the way that she move that's makin' me horny
If I wake up next to her in the morning
I'm a turn over and tell her let's do it again

Shorty so seductive dancin' on me
The way that she move is makin' me horny
If I wake up next to her in the morning
I'm a turn her over and tell her let's do it again

I put the G in G-Unit, baby I got game
Heady Bo, good to go, and I don't know your name
Is it the wheels on the hot car, meals from the shark bar
Or you just wanna quickie with a rap star?

Ladies tell the truth, you know I'm cute
But what really turns you on is the rims on my coupe
Before you jump in my whip and you get dropped off

We goin' to the telly and you getting popped off

I can't stop thinkin' of the things you do
When you're freakin' me and I'm freakin' you
I said the ice on my neck make the shorties stare
Baby let me fly you in my Lear

Stop, slow down baby if you hear this in the club
Shake and go down baby
It's past my curfew but parole don't know
Tear up the club don't call my P.O.

Shorty so seductive dancin' on me
It's the way that she move that's makin' me horny
If I wake up next to her in the morning
I'm a turn over and tell her let's do it again

Shorty so seductive dancin' on me
The way that she move is makin' me horny
If I wake up next to her in the morning
I'm a turn her over and tell her let's do it again

My waves be spinnin', my charm be amazing women
You know them black and them white and them Asian women
Let's cut the small talk, you know why I approached you
I can't stand when a dime act anti-social

Gucci, lip gloss, Louis Vuitton
And them boots from Batego Vanetto cost an arm
Yayo's a don, my car European
You got mirrors in your pants
~Cause I can see me in ~em

Listen I piss out Cris, inhale haze
In the Marriot getting laid all day
Tattoos and piercings and rings in your tongue
Shorty, things like that will make my black ass cum

I need groupie love, the coupe on dubs
I'm in this club, with a tre pound star
Don't blame it on Dave that I'm all iced out
~Cause 50 got me rich so the bar priced out

Shorty so seductive dancin' on me
It's the way that she move that's makin' me horny
If I wake up next to her in the morning
I'm a turn over and tell her let's do it again

Shorty so seductive dancin' on me
The way that she move is makin' me horny

If I wake up next to her in the morning
I'm a turn her over and tell her let's do it again
