Aww, nigga do you know what this is?
One shot, one kill what's the deal G-Unit?
(Here we go now)
Aww, nigga do you know who you with?
It's Tony Yayo up in this bitch
Got them drum lugers with them hollow tips
See shot lugers with an extra clip

50 Cent back on that gangsta shit
On my way ot to flip them bricks
In that big body Benz you know it's, oh 6
Got your bitch on my dick, I stack them chips

And a flash as a fuck my jewels so sick
From a block away you can see them kid
Don't front mothafucka you know my style
I don't go nowhere without my 40 cal

I'm on the low shorty, gotta thing for the kid
And you know I'm feelin' to take her back to the crib
Here we go I'ma show her how a playa live
At the door I tell her to take her clothes off, shit

Shorty so seductive dancin' on me
It's the way that she move that makin' me horny
If I wake up next to her in the morning
I'm a turn over and tell her let's do it again

Shorty so seductive dancin' on me
The way that she move makin' me horny
If I wake up next to her in the morning
I'm a turn over and tell her let's do it again

I put the G in G-Unit, baby I got game
Head to go, good to go and I don't know your name
Is it the wheels on the hot car meals on the shock bar
Or you just wanna quickie with a rap star?

Ladies, tell the truth you know I'm cute
But what really turns you on is the rims on my coupe
Before you jump in my whip and you get dropped off
You goin' to the telly and you gettin' popped off

I can't stop thinkin' of the things you do
When you're freakin' me and I'm freakin' you
I said the ice on my neck make the shortys stare
Baby, let me fly you in my lair

Stop, slow down baby if you hear this in the club
Shake and go down, baby
It's past my curfew but parole don't know
Tear up the club don't call my P.O.

Shorty so seductive dancin' on me
It's the way that she move that makin' me horny
If I wake up next to her in the morning
I'm a turn over and tell her let's do it again

Shorty so seductive dancin' on me
The way that she move makin' me horny
If I wake up next to her in the morning
I'm a turn over and tell her let's do it again

My ways be spinnin' I charm the amazing way
You know them black and them white and the Asian
women
Let's cut the small talk you know why I brought you
I can't stand when a dime act anti-social

Gucci, lip gloss, Louis Vuitton
And the boots from Batego Vanetto cost a arm
Yayos a don my car European
You got mirrors in your pants 'cause I can see me in um

Listen I piss out cris inhale haze
I'm a get married and get laid all day
Tattoos and piercings and rings in your tongue
Shorty things like that will make my black ass cum

I need groupie love the coupe on dubs
Im in this club with a tre pound star
Dont blame it on david im all iced out
Cause 50 got me rich so the bar all priced out

Shorty so seductive dancin' on me
It's the way that she move that makin' me horny
If I wake up next to her in the morning
I'm a turn over and tell her let's do it again

Shorty so seductive dancin' on me
The way that she move makin' me horny
If I wake up next to her in the morning
I'm a turn over and tell her let's do it again
