I'm not really sure of the things that you want from me.
I'm not really sure of the things that you want from me
I'm pushing around all the weight that you drop on me.
I'm not gonna drown in the wake of you stopping me.
Well ... I'm out of your ... drag me in, drag me out of
your ... and I keep falling in, falling out of your life. I
don't know if I can be all that you want for me. I don't
know if I can be all that you want for me. I wish I could
be everything that you are to me. I know that I can't be
the things that you are, you are. Well ... I'm out of your
... you drag me in, drag me out of your ... and I keep
falling in, falling out of your life. Why can't you see?
