Skies are blue, so don't ever look back
'Cause I know what we've both been through
And here we go again
Sink your teeth right in

Don't be scared, I'm here
Close your eyes
Don't be scared, I'm here, I'm here

Forever at our doorstep
I'm a confident boy with a nervous stomach (lay by my side)
Just toss your clothes at the ceiling
Please dream of me while I sing you to sleep

I'd be lying if I told you that, that I wasn't scared a little
But I've never felt so right
Speed up; we can take it
Don't be scared, I'm here
Drove so long to get here
Don't be scared, I'm here, I'm here

Forever at our doorstep
I'm a confident boy with a nervous stomach (lay by my side)
Just toss your clothes at the ceiling
Please dream of me while I sing you to sleep

Well I'll string your name up in christmas lights
On the off chance I'll die under their glow

Forever at our doorstep
I'm a confident boy with a nervous stomach (lay by my side)
Just toss your clothes at the ceiling
Please dream of me while I sing you to sleep
