I've got no broken bones to show for all the risks that I take.

The soft tissue breaks and heals in ways you'll miss,
And I'm not hiding anything.

I do what I can with what I have to work with.

I'm the smallest part of the grandest schemes,

But I'm fueled by attention.

So go ahead and

Just ask my friends. I wouldn't do this if I didn't love it
But I love it

Whoa, no

I swear I've always been like this.

I swear I've always been like this.

I swear I've always been like this.

I swear I've always been like this.

When I was young I managed to secure my role as the glue

That held my crew together, and I don't question motives.

My greatest fear is everyone I know can act their way out of

Telling me they'd rather be alone. Now I'm telling you kid;

Just ask my friends. I wouldn't do this if I didn't love it
But I love it

Whoa, no

I swear I've always been like this.

I swear I've always been like this.

I swear I've always been like this.

I swear I've always been like this.

Someone told me once that I care what everyone thinks of me.

Well that's news to me, but I guess they're right

Yeah, I guess they're right.

Someone told me once that I care what everyone thinks of me.

Well that's news to me, but I guess they're right

Yeah, I guess they're right.

Cause it took some time, but I finally like who I am.
Let me be proud of myself for once

Just ask my friends. I wouldn't do this if I didn't love it
But I love it more than anything.

Just ask my friends. I wouldn't do this if I didn't love it
But I love it

Whoa, no

Whoa, no

Just ask my friends

Oh, just ask my friends.

I swear I've always been like this.

I swear I've always been like this.

I swear I've always been like this.

I swear I've always been like this.
