[Chorus:]

I tried to do handstands for you
I tried to do headstands for you
Every time I fell on you yeah, every time I fell
I tried to do handstands, but every time I fell for you
I'm permanently black and blue, permanently blue for
You ooo...
For you ooo...
So black and blue ooo...
For you ooo...

[Verse 1:]

Too Much
I got to thinkin and uhh
If I lose you, I lose a part of me
And that went straight to the heart, like a artery
Constantly thinkin bout the way things ought to be
Never break up, let's make up like cosmetology
Doin handstands, is quite hard for me
But you don't notice, and that bothers me
So like that t pain song, you keep choppin me
But not screwin me, this is so new to me
So much for you and me, used to be you and me
Now it's just you and me, my heart so blue and pink
Niggas is all dogs, it's so you to think
I led you to the fountain, now it's on you to drink

Usually I would've been got gone
But walkin that long road is worst when you're alone
So I keep losin, in this case, I'm bruising
Ashamed, I hide my face like wilson on home
improvement
And try
Too Much

[Chorus:]

[Verse 2:]

I woke up quite early today
Never thought my life would turn to cirque du soleil
I woke up quite early today
Never thought my life would turn to cirque du soleil

I woke up quite early today
Never thought my life would turn to cirque du soleil
I woke up quite early today
Never thought my life would turn to cirque du soleil

[Chorus:]

[Chairlift:]

Do-doo-do-do-do
Do-doo-do-do-do
Do-doo-do-do-do
Do-doo-do-do-do
Do-doo-do-do-do

[Outro:]

I'm black and blue
Doin handstands for you
Haha, aww
I must say
I gotta admit
I kind of like it
Black and blue
For You
