[Casper:]

Ay, ay

My girl trippin man, a nigga had to get away  
She bust my windows and threw all of my shit away  
Her bestfriend in her ear like, this nigga lame  
That bitch hatin' and, what more can a nigga say  
She say she seen me with a bitch name Michelle  
At the fox hills mall, on a dinner date  
Ay girl I'm tired of these games, I ain't finna play  
I'm a let the homies 2 Official gone demonstrate

[Chorus:]

I gotta get away from her  
I said I gotta get away from her  
So I'm goin' out, hittin the club  
With the bros, we gettin drunk  
Just gotta get away  
From her

[Too Much:]

Uhh, pick ya lip up mane  
I was chose to ball like a pickup game  
Came home found out she tore the crib up mane  
Threw away my xbox, I'm so sick of games  
We back here again, she think I'm with some dame  
Only with her friends these thoughts get in her brain  
Wow, it's a shame, baby it's a shame  
I get cold chills everytime I hear her name

[Chorus:]

[Too Much:]

You still in the picture, I ain't tryna crop you out  
I'm just sayin' right now, I need to block you out

Cause if you put your hands on me again, I'm a knock  
you out  
And I ain't tryna have cops all in front my mama house  
Hit the club, find a couch, pull the bottles out  
Reject, 2 step til it's time to bounce  
Just when it felt like a real good plan  
I felt my phone vibratin' my leg

[Chorus:]

[Casper:]

Ay, ay, ay, ay

I ain't tryna break up, maybe we can make up

But girl you gotta wake, cause people gonna hate us

Because I am caked up, and plus I am famous

My ego is shameless, my bracelet is stainless

Baby I meant to, make you official

And yeah I'm a miss you, but right now it's simple

What you got me into, was nothin' but issues

So I'm bout to dip boo, call when I get to

[Chorus:]

[Outro:]

From her, from her

From her, from her, from her

2 Official

2 Official

Goin' out, hittin the club, with the bros, gettin drunk

Just goin' out, hittin the club, with the bros, gettin drunk

Just goin' out, hittin the club, with the bros, gettin drunk

Just goin' out, hittin the club, with the bros, gettin drunk

Just gotta get away from her
