Verse 1

If I die tonight  
What would I do  
On my last day  
I know I'd wake early  
In the morn' for crack  
Of dawn's last pray  
Then prolly go for breakfast  
Like I used to do  
Fried kuey teow FAM  
And roti canai at Raju's  
With my boo  
And friends from way back  
Neighborhood homies  
Extended fam  
They only know me  
As that same cat  
With that shaved head  
Rocking Cross Colors  
Sneaks to school  
Writin' rhymes at the back of class  
Playing tricks on fools  
Then I'd come back to the crib  
Tidy up a bit  
Y'all know my room's messy  
Though classy  
Start arrange my ish  
Line up my shoes one by one  
Start with Jordans  
And end with them Air Force Ones  
Put a Post-it on the tongue  
Of each one  
With the name of each dun  
I think I know my homies  
And who would want which one  
Get on the phone  
And holla' at everybody  
It's nearly noon  
Gots to have lunch

With the family  
Then spend the last day  
I don't know  
Try do a million other things  
Hoping somehow  
Time will slow  
I guess what  
I'm trying to say is  
Take everyday  
Like it was your last  
Work towards your dreams  
Before you pass  
And have a blast  
While you at it  
'Cause we don't know  
When we go go  
So make the best of it  
Just keep it real to yourself  
And to all people  
If y'all lost somebody before  
Remember there'll be a sequel

Chorus (2x)

If I die tonight  
You know it'll be alright  
Just smile for me  
Reminisce the fond memories

Verse 2

Well if I die tonight  
I wonder  
Where I'll be tomorrow  
Nobody cry please  
Push away the sorrow  
'Cause I ain't been  
The best of men  
The best of friends  
The best of mom  
And daddy's last son  
The best of anything  
Tell Joe here's a last one  
If I die tonight  
Would I be forgiven  
By all the people  
I been slackin' with  
When I was livin'?  
Those who I hurt their hearts  
Took advantage of  
And even lied to  
Hug you one last time  
For forgiveness

Yeah I would like to  
If I die tonight  
Would you feel the loss?  
Tomorrow would you dial  
My number by accident  
Then suddenly... pause?  
If I die tonight  
I wonder who would get  
To keep my caps and shoes  
Jerseys, even my little  
Stuffed crocodile Coco too  
Get my cell phone  
Message everyone from A to Z  
Tell 'em this ain't Malique  
He passed away last night  
And pray he rest in peace  
If I die tonight  
Would you think of my room  
When you see blue  
Wanted to clean it up this morning  
But then I never knew  
If I die tonight  
What would happen to Tim  
How long would it take  
Before she kissed another man?...  
God damn...  
At fast food joints  
Would she still order  
The same combo meal for two?  
Things I wish I knew...

#### Chorus (2X)

If I die tonight  
You know it'll be alright  
Just smile for me  
Reminisce the fond memories

#### Verse 3

A cute lil' thing  
To many eyes  
To me you were simply  
A beautiful thing  
I tell no lies  
We went from  
Mere invisible friends  
To pals real tight  
Rendezvous up on the net  
To chitty chat all night  
I used to pick you up  
Until you got your own ride  
A slammin' two door whip

A grey 36-72  
Lookin' all slick  
Remember when I asked why this  
You said because it's real fast  
So you can rush  
To see your boy after class  
The last time  
We met was '01 September  
You left feelin' upset over... something  
I can't remember...  
I never apologized  
Till January 10th 2003  
When I heard you passed away  
When I was deep in my sleep  
Your loss taught me  
Not to take my friends for granted  
Misunderstandings  
Gotta slam it quick  
Death you never plan it  
You're sorely missed down here Wawyn  
Rest in peace  
This too shall pass  
But our true friendship will never cease...  
Love...

Chorus (till end)  
If I die tonight  
You know it'll be alright  
Just smile for me  
Reminisce the fond memories
