#### Verse 1 ( Malique )

Have you ever met a gurl that you thought was perfect  
You waited for her years 'cause you know she worth it  
Here's a lil' story bout this gurl i knew  
Since wayback in pre-school sometime in '82  
She had 'em two pony tails and a front tooth missin'  
Wit' freckles on her cheeks cause the moms caucasian  
Up on a tree house is where we chilled together  
With carvings on the trunk saying friends forever  
She the type who laugh when the normally cried  
And when they busy playing house we playin' bonnie  
and clyde  
In grade school everybody knew we partners in crime  
We usta bully kids in playgrounds like all the time  
We always seen holdin' hands to the principal's office  
The naughtiest in town and could no other kid stop us  
In highskool she switched her desk next to mine  
So we could cheat while doing pop quizzes all the time  
14th of February '93  
Little Jenny said she had a big suprise for me  
Gave me the very kiss and plus a ring and a card  
And said I love you, so I gave her the rest of my heart  
A coupla weeks later called her house at 10  
The mama said I thought you suppose to be with Jen  
I quickly rushed to the crib, she just got out of a van  
I'm like yo who was that? oh he's just a friend.....

#### Chorus 2X

You, you got what I need  
But you say he's just a friend,  
But you say he's just a friend

#### Verse2 ( Malique )

So I took Jenny's word for it at this time  
I thought just having a friend it couldnt be no crime  
'cause even I have friends and babys that for sho  
Just like Watson, Hailee, Baby Tash and Joe  
So we never talked about that late snack with van man  
We rather talk about the future we have planned and  
What to name our kids, al-Tarique or Shaymar?  
Ayesha, or Tisha for a gurl and maybe even bring our

Kids to that little tree house that we chilled at  
But then in '94 I couldn't help it but feel sad  
Jenny had to leave me to go get a little knowledge  
100 miles away in this place they call college  
First couple months it was cool but then it changed yo  
She never called and really acted like a strange ho  
One day I called it was picked up by a man  
I called again, she picked it up and said hey that's just  
a friend

Bridge ( VE )

You know, I know what you been up to  
I know you know what you been up to

This guy in her study group's the one who picked up  
the call  
Helpin' her in chemistry wit cyclohexanol  
I got curious and asked her who else in ya team?  
She said Ali, Hassan, Noreen and Kareem  
The next week I thought of givin' her a little surprise  
But when in front of Jenny's dorm I couldn't believe my  
eyes  
I say the same ugly van I saw in '93  
I found her room but guess what a brother had to see?  
A fella half naked with my gurl on the couch  
And baby Jenny moaning, uggg uggh aggh and ouch  
So please listen to the message that I sing  
Don't ever talk to a gurl who says she just has a friend

Chorus

Verse 3 ( Joe Flizzow )

A lil' casanova pimp, man I had my flings  
Hoodrats to goodie hoodies I was lil' playa king  
I'll tell ya when, my final year in '96  
This hunny new in skool joined my class she really sick  
She made her pinafore look like a dress from Rodeo,  
And clean white shoes lookin' Ferra than Gamo's,  
And white blouse seemed whiter than everybody else's  
Just like them ads on tv man this hunny was the nicest  
I had to step up my game and I told her my name  
She said her name was Wanda I found out  
That we lived on the same street she moved in 5 blocks  
down  
And after 3 dates and 6 banana splits I had it locked  
down  
We was tight but had this lil's problem though  
'cos Wanda always acted funny when wit' Mary Joe  
But when I caught'em kissin it wasn't funny no more  
Baby smiled and just said she's just a friend yo.....

Chorus  
( she )
