Verse 1

Yo, I make jams

Sure clubs gon' blast

Make 'em freaks dance

Lose g-strings fast

Yes I love as

And flings that don't last

They call me a sophisticated thug

Like Rass Kass

Hey ma

Looking like a million

Judging by the way you roam

Is you half Italian?

Now my song be on

Stir up the ambience

You my Destiny Child

No need to look beyond, say

Whatchu wanna

We can play how you wanna

No need to waste time

And play virgin like Madonna

Me and you gon' hit town

And paint it red

And still keep it hip-hop

With throw ups and tags

Seen you up in mags

You's a model right?

And you look mighty tight

Walk like a model might

This Joe Dolomite
Now get ya' mind right
Me and you B
Gon' get freaky tonight

Come sit on my lap
Ask you friends to come over
They can hang with my cats
While you can tell me
If you're a naughty lil' thing
No I can't read minds
But I know what you're thinking
Nasty intentions
Now party with me
And by the end of the night
You gon' leave proly wit' me
And know exactly
Why they call me Big Joe
And why I've got gurlies
Lined up like corn rows
Skirts up like Monroe
Lined out my condo
They bend like elbows
(Freaky?) That's for sure
And at the height of the night
Yeah I love 'em too
Just remember that
You never gonna be my boo
You know how we do
If you came to party
