Pinklady dance with me  
All night in a trance with me  
Love dove you make me fly  
Take me high....

#### Verse 1 (Malique)

Yo fly Friday, feel slick I'm hummin' ladi dadi  
This chicka promised me eternal dancin at a rave party  
In flesh and bone I'm hiphop, but now I'm changin flava  
JOLLY GREeNS to JELLY BEANS tonight I'm gonna be a  
raver  
Now Imma knowledge you on who and how this chicka  
be  
She had a PINK HEART, and loved pink CK's and D&G's  
And had a BIG BLOKE brother ADAM, some called him  
BIG E, who pushed  
An E CLASS white MERCEDES wit buddies BIG D  
And BIG C, but BABY SLITSTA only drove a MITSUBISHI  
Little rookie raver waitin' for she now he gettin' pissy  
Glanced the ROLEX, this PINKY LADY kinda late  
Until I saw the MDM 4 up on this license plate  
Now all them BLUE BUTTERFLIES in my tummy started  
flyin'  
Baby was E BOMB, she left ELAINE and MARY JANE  
cryin'  
CHANEL smell good as NOSECANDY is the aroma  
Everybody straight or crooked lookin' like they wanna  
bone her  
Sexy PINK CROSS TOPS that make you sip saliva in  
She hold me tight like it's a HONEYMOON LOVE THANG  
Promise to dance with me all night long  
Remember drink alotta water so aint ish goes wrong

#### Chorus 2x

Pinklady dance with me  
All night in a trance with me  
Love dove you make me fly  
Take me high....

#### Verse 2 (Joe Flizzow)

Friday night, I'm at home hittin a fat bammer

When out of the blue the phone rang for the LOVE  
DOCTOR  
It was MOLLY, she back from the States  
HAWAII'S FINEST was gon' pick me up about eight  
I said where we goin? she said she wanted to blaze  
some green  
And after that hook up wit' JANE and check out the Rave  
scene  
I said cool in no time she was at my spot  
8pm on the dot, walked in lookin Hot  
She gave me a kiss on the cheeks  
And cruised in her LAMBORGHINI way above the LEGAL  
SPEED  
Valet parked the car all eyes on she and me  
Tipped the fool, skipped the queue, walked through the  
VIP  
Introduced me to the bouncer RACEHORSE CHARLIE  
He let us in and said have fun with DIRTY MOLLY  
MOLLY took my hands and tried to kiss me on the lips  
I said chill MAMA COCA take it easy I ain't about to  
trip....singin..

Chorus

Verse 3(Malique)

The club was slammin', no SAMS or JAKES to make the  
party stop  
Guys were chewin' gums and the gurlies were sucking  
lolipops  
I chose not to pay attention mind my own bnez  
On some BOOTY JUICE tonight no time for fancy drinks  
or guiness  
Hit the dancefloor dirty dance with PINKLADY  
Tongue kissed me once and twenty minutes later went  
crazy  
She musta used the LOVE POTION NUMBER 9 or  
something  
Baby struck my heart wit' sudden love and plus it kept  
me bumpin'  
I started gettin' funny, LOVE HUGgin' everybody  
Pinky pulled me to her gave another kiss and im like  
hoooooo  
I started seein' angels in thongs and Cupid with a  
poison arrow  
Aimin' at me right behind a cloud of YAY YO  
That's when I saw MOLLY goddamn I miss her  
My summer fling last year but never really kissed her  
She all in pink too, I winked and then she winked too  
Excused myself from PINKLADY one and went to pink  
two  
Kissed her twice not once felt like a pimp foo

Four kisses, two pinkladies now don't you think it's coo?  
I think it ain't a BAD TRIP after all comin'  
Ish I'm startina see a bunch of little midgets hummin'  
Ring around the ROSES and have an overdose  
A TISSUE, a TISSUE and we all fall down

Chorus

Kinda confused with the ambience, everybody sippin'  
Evian  
No sign of Chardonay, Moet or Perignon  
That's when I saw my man layin' on the ground  
No more black in the eye ose bleeding made no sound  
I slapped him around, i shouted in his ear  
The \*\*\*\* you've been messin' with?  
Hey get some help in here  
What chall doin'? gimme a hand people  
Hang in there man..we gon' get you to a hospital  
My man's dying gotta act quick  
Carried him to the car saw PINKLADY and I felt sick  
I prayed to god let my potna live please...

Chorus
