

## **Too Pure To Die "Blame No One"**

All these things that you've taken for granted  
I never had the chance to experience  
But I blame no one (I blame no one)  
For what I've been through (what I've been through)  
It's only driven me to continue

Regardless of the obstacles  
I hold on to the things I love  
Adversity will never make me come undone

All these things that you've taken for granted  
I never had the chance to experience  
But I blame no one (I blame no one)  
For what I've been through (what I've been through)  
It's only driven me to continue

And without suffering there can be no true compassion

Regardless of the obstacles  
I hold on to the things I love  
Adversity will never make me come undone

All these things that you've taken for granted  
I never had the chance to experience  
But I blame no one for what I've been through

And without suffering, there can be no true  
compassion

All this pain that I've faced  
Made me who I am today [X2]

WITHOUT SUFFERING  
THERE IS NO TRUE COMPASSION[X2]
