"Confidence And Consequence"

I don't need to pretend who I am
Confidence keeps me defined
I don't need to defend what I am
Consequence keeps me in line
'Cause I know where I wanna be
And who I want surrounding me
I refuse to spend another day
Ashamed of your transparency

Here today, gone tomorrow

I don't need to pretend what I am
Confidence keeps me defined
I don't need to defend what I am
Consequence keeps me in line
'Cause I know where I want to be
And who I want surrounding me
I refuse to spend another day
Ashamed of your transparency

Everybody sees through you
Everything you do will be forgotten [X2]

Here today, gone tomorrow [X3]

You won't be missed
