Sometimes it hurts me to think about why I still show my face around this place where all I see are things that I disapprove of

But I can see some comfort in the fact that I will never be apart of all that shit and my values will never change and I can see some comfort in the fact that there are still some who care enough to hear each and every one of these words, these words, these words, these words

These words could be enough to change your would if you would just listen and think before shooting them down, shooting them down

Sometimes it hurts me to think about why I still show my face around this place where all I see are things that I disapprove of

But I can see some comfort in the fact that there are still some who care enough to hear each and every one of these words

What you don't know won't kill you
But your ignorance might [X2]

These words could be enough to change your would if you would just listen and think before shooting them down, shooting them down
