

Too Pure To Die **"The Best Coincidence"**

A smile on your face puts a smile on my face
When our brown eyes first met
You sang a song to me and now it's my turn to return
the favor
In hopes of showing you exactly how I feel

If I could I would do anything to put a smile on your
face everyday
What I want more than anything is you by my side
When I leave and when I return, when I leave and when
I return

When our brown eyes first met
You sang a song to me and now it's my turn to return
the favor
In hopes of showing you exactly how I feel

If it wasn't for that first song you sang
We might not be here together today
So here's my effort in the form of these
Words to show you what you mean to me

Give me your hand and let's have this dance
Come in close so I can whisper in your ear
All I want is the best for you even if it's not what's best
for me

Funny how a coincidence could be the best thing to
ever happen to me [X2]
