I said "girl you're a wreck and you must be confused  
as we both know the ground's no place for you  
angels fly, not fall in love"  
she said "boy you're a mess and you must be confused  
as we both see the ground's stuck the my shoes  
I can't move, I'm in love"  
chorus  
well just know if the wind blows a little too hard  
I'll be the first tree to wrap you up in his arms  
If my branches hurt your wings  
If my branches hurt your wings  
Just don't fly away

#### Verse 2

I said "girl you're a sunset when no one's around  
when the moon takes your place you let everyone out  
just to see how small you can be"  
She said "boy you're a crash that hasn't happend yet  
and I am the concrete just happy we met  
I can't move, I'm in love"
