Met this girl named Lisa on the 1st day of school  
Didn't have much to say because I was being cool  
Had this funny feeling all day long  
That she's the only one for me, I gotta put it on

Should I just sing to her  
I would really love to have your phone number  
Or should I just forget and walk away from her  
I wonder if she knows that I could be her love  
Or am I not enough

Lisa Lisa  
I'm in love with you  
And I don't know what I guy is supposed to do  
Lisa Lisa  
I've been so confused  
And I don't know what I guy is supposed to do

I wanna be the one she's calling everyday after school  
We'll stay on the phone till it gets late and break the  
rules  
I guess I could just tell her, but would it sound right  
Telling her I dream about her each and every night

Or should I just sing to her  
I would really love to have your phone number  
Or should I just forget and walk away from her  
I wonder if she knows that I could be her love  
Or am I not enough

Lisa Lisa  
I'm in love with you  
And I don't know what I guy is supposed to do  
Lisa Lisa  
I've been so confused  
And I don't know what I guy is supposed to do

Lisa Lisa  
I'm in love with you  
And I don't know what I guy is supposed to do  
Lisa Lisa

I've been so confused  
And I don't know what I guy is supposed to do

Oh Lisa, oh Lisa Lisa, oh Lisa, oh Lisa Lisa, oh Lisa,  
oh Lisa, oh Lisa, oh Lisa

Lisa Lisa  
I'm in love with you  
And I don't know what I guy is supposed to do  
Lisa Lisa  
I've been so confused  
And I don't know what I guy is supposed to do
