[Verse]

Baby I'll take it for you  
But I don't wanna rush you into something that you just  
ain't ready for  
Cause the moment I saw you I knew I wanted to call you  
And ask baby please could you be my girl  
And everyday at school I'm passing notes to you  
I'm doing things that I never thought I'd do  
And I cant tell a lie I lay awake at night  
And wonder if I have a chance girl and be your guy  
(yeah).

[Chorus]

I know your not ready yet to go steady  
I know you told me already, but girl I just want you  
And my boys told me forget it but my pride wont let it  
Cause girl I'm felling you.

I know your not ready yet to go steady  
I know you told me already, but girl I just want you  
And my boys told me forget it but my pride wont let it  
Cause girl I'm felling you.

[Verse]

Baby I don't mind waiting  
Baby anticipating about that day when you say that you  
will be mine  
Pretty soon will be dating everyone will be hating  
On our love that can stand through the test of time  
If you give me a chance I'll take you by the hand  
And tell you all the reason why I should be your man  
But first I gotta know girl do you wanna roll  
We don't have to tell a soul  
Keep it on the low.

[Chorus]

I know your not ready yet to go steady  
I know you told me already, but girl I just want you  
And my boys told me forget it but my pride wont let it  
Cause girl I'm felling you.

I know your not ready yet to go steady  
I know you told me already, but girl I just want you  
and my boys told me forget it but my pride wont let it  
Cause girl I'm felling you.

[Bridge]

Girl you are my everything I swear this much is true  
You'll never have to be alone cause I'll be next to you  
I'm giving you my all (I'm giving you my all, yeah)  
Cause girl you are the bomb  
And I wont stop chasing you cause girl you are the one.

[repeat chorus until fade]

I know your not ready yet to go steady  
I know you told me already, but girl I just want you  
And my boys told me forget it but my pride wont let it  
Cause girl I'm felling you.
