Hip Hop, country blues
Crazy white dude with no tattoos
Saw myself on cable news
Cus I robbed a bank with a Rubik's cube
My life got so strange
When I sold my tickets for pocket change
Hopped the turn style and I took the train
Then I got fake titties and went back stage

My girlfriend didn't want me
Caught me diggin' through her dirty laundry
I'm dancing with myself in women's close

I walk backwards, you can kiss my ass
Put a smile on my face
Don't say hi when you walk by
Unless your gonna gimme
Unless your gonna gimme
Unless your gonna gimme some of what you got, what
you got

I am so confused, livin' on vitamin C and booze
Traded my pumas to a homeless dude,
Now I'm a grown man walkin' round in ladies shoes
Hot lips, Mini skirt
S-L-U-T written on my shirt
Find a rich man that likes to flirt
Make sure that he gets his feelings hurt

Ivy League Intellectual
Dressed up as 'em heterosexuals
In New York City a beauty queen so drag

I walk backwards, you can kiss my ass
Put a smile on my face
Don't say hi when you walk by
Unless your gonna gimme
Unless your gonna gimme
Unless your gonna gimme some of what you got, what
you got

She's so overdue
Traffic cop in army boots
Cocaine and 22s
Handcuffed me and she left the room
Broke ass, hopped the bail
Vintage going out of business sale
Old cheese so he's cut to fail ??
But I said "I do" behind a wedding veil

She said she left the force
When I bet my life on a lucky horse
Painted my nails and chased the moon

I walk backwards, you can kiss my ass
Put a smile on my face
Don't say hi when you walk by
Unless your gonna gimme
Unless your gonna gimme
Unless your gonna gimme some of what you got, what
you got
