[Verse 1]

A small house, with a small garden
a dog and a cat and a six year old sister
his mother was a housewife, and his daddy worked in a
bank.
But in school the things went bad,
he had no friends, so he became sad,
the boys were joking, and girls did not like him.

[Chorus]

That's the story of an ordinary killer,
no one said sorry to him and he killed her,
he got no helping hand, when he fell into depth
so he finally lost the ground under his feet.

[Verse 2]

And his mum didn't realise his troubles
the situation seemed to be normal
no bad marks, but he became more and more silent.
Watching TV and computer games,
were his favourite things to spend his free time on
but that changed his way of understanding reality

[Chorus]

That's the story of an ordinary killer,
no one said sorry to him and he killed her,
he got no helping hand, when he fell into depth
so he finally lost the ground under his feet.

[Verse 3]

For two years now, he has lived in a flat,
Not far from work, not many people to meet.
He's become an outsider, the only friend is the
Internet.
He's fallen in love with Ann living next door
but she turned him down, he got angry.
Since the last morning, no one has seen her ever again

[Chorus]

That's the story of an ordinary killer,
no one said sorry to him and he killed her,
he got no helping hand, when he fell into depth

so he finally lost the ground under his feet.
